If Yes, What Date Completed

For assistance completing this form or to obtain additional copies, contact the Central Jackson County Fire Protection District at 229-2522 or on the web at www.cjcfpd.org

1. Fill out the Vial of Life form.

- Fill out the Vial of Life form located on the reverse side of this page. Answer all pertinent questions.
- Make blank copies of this form to keep information current or go to www.cjcfpd.org to print blank copies.

2. Place completed form in Vial of Life bottle.

- You may also consider placing the following items in the bottle.
  - Copy of last EKG
  - Living Will or Power of Attorney forms
  - DNR (Do Not Resuscitate) forms

3. Place Vial of Life bottle in the top shelf of your refrigerator door.

- EMS Personnel will know to check here for your important medical information.

4. Place Vial of Life sticker provided on the front upper corner of your refrigerator.

- Keep this sticker readily visible so Emergency Medical personnel responding to your emergency know you participate in the Vial of Life program.

The Vial of Life puts important medical information in the hands of Emergency Medical workers when it is needed most…..during the first minutes of a critical illness or injury in your home.

Contact the Central Jackson County Fire District with any questions at 229-2522
